LADY GAGA

Logo process presentation

WHO IS LADY GAGA?

Lady Gaga, born 1986, in New York City, is a Grammy-winning singer, songwriter, and actress known for her powerful vocals and bold style. She rose to fame with hits like “Just Dance,” “Poker Face,” and “Bad Romance.” Her albums, including The Fame, Born This Way, and Chromatica, have earned both critical and commercial success.

BRAINSTORM

LOGO REFINE

FINAL

RESEARCH

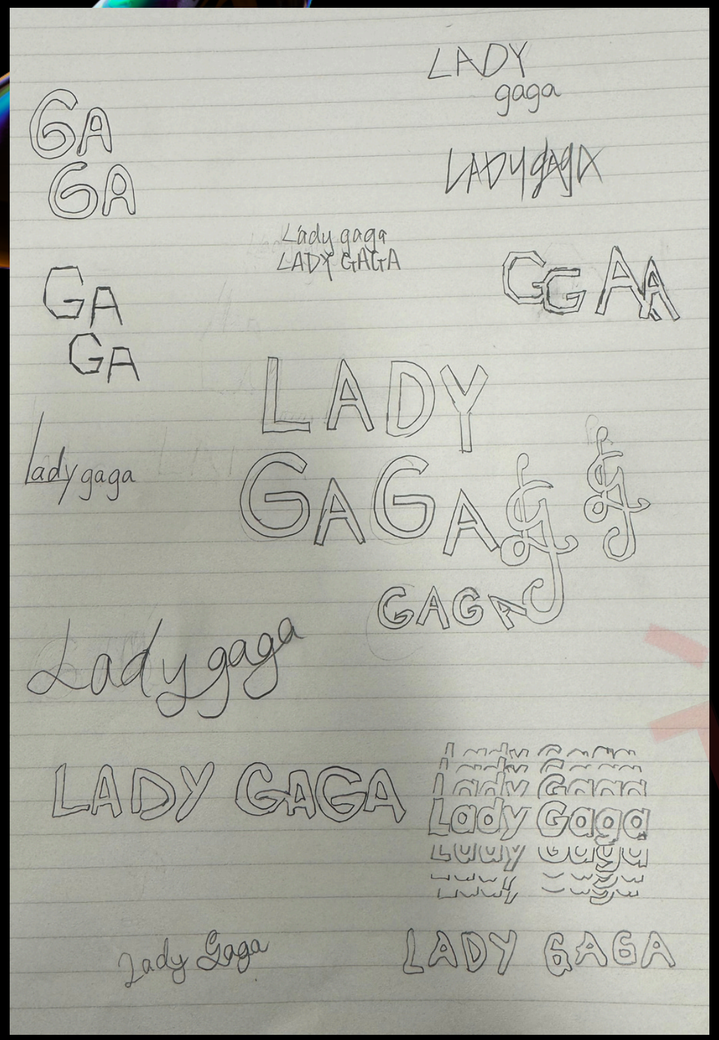

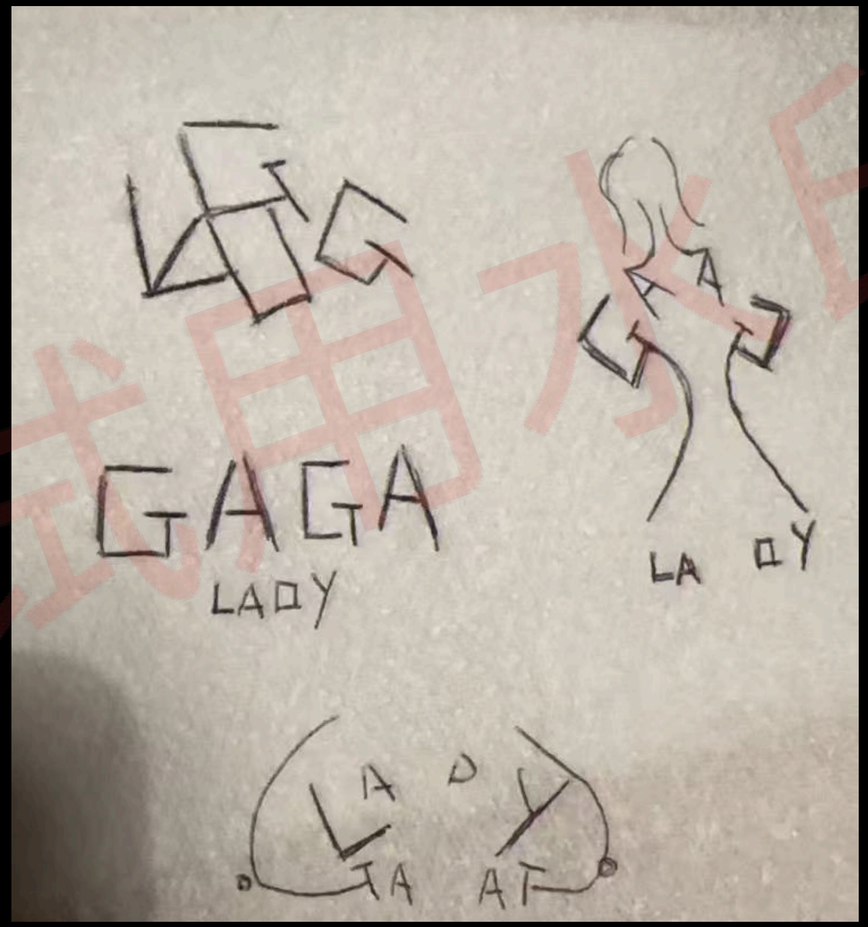

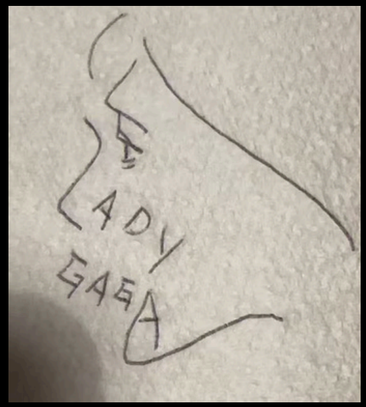

Some ideas for inspiration :

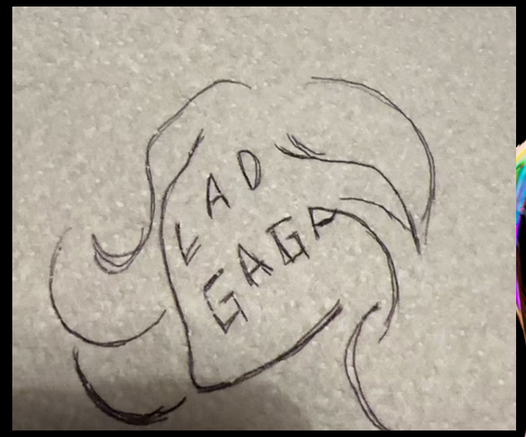

- Could be more abstract.
- Be bolded.
- Match her style/personalities.

FINAL LOGO

- Logo shape resembles a breast, symbolizing femininity, power, and body liberation.

- Incorporates the letter “G” within the form for subtle typographic meaning.

- Lady Gaga’s name is placed inside the outline, reinforcing personal identity.

- Add the element of flame to express passion, intensity and bold energy.

THANK YOU

for your time and attention
